

Landlord Fees

From 3rd August 2023

Fully Managed Service

Fees vary depending on our 3 service levels (Fully Managed, Rent Collect or Tenant Find.)

Set up fee is based on half first month's rent			TOTAL inc VAT
The Set Up Fee includes agreeing the market rent and finding a tenant in accordance with the landlord's guidelines. This involves advertising the property with enhanced online marketing and professional photography package, erecting a board in accordance with the Town and Country Planning Act 1990 and then carrying out accompanied viewings as appropriate. It includes negotiation of the terms of the Tenancy, vetting the tenants for suitability for the Tenancy, and preparing the required paperwork for the Tenancy. The fee covers advising all utility providers of any tenancy changes. It also includes advising on refurbishment, providing guidance on compliance with statutory provisions and letting consents, providing notification of non-resident tax status and making an HMRC deduction, where applicable. This will include the cost of Tenant Referencing the applicant(s). The check will include credit status, current or previous employer, current or past landlord, and taking into account any other information to help assess the affordability criteria of the applicant(s). Depending on the outcome of the referencing, an applicant(s) earnings or overall financial position may require a Guarantor. The cost of referencing a Guarantor is included in the fee. Should there be a specific situation whereby you have consented to a permitted occupier, appropriate documentation to reflect this is included within the fee. We shall carry out Right to Rent checks on the applicant(s) and any other adult occupier of the property. We shall carry out Right to Rent checks on the applicant(s) and any other adult occupier of the property at the commencement of the tenancy. We shall carry out further checks on adult occupants with time – limited Right To Rent or where you have instructed us to commence a Right to Rent check on a new adult occupier where is a change in occupancy during the Tenancy.		£450 + VAT	£540
Monthly Fee (percentage of the monthly rent). This is a monthly commission calculated as a percentage of the monthly rent, for collecting and remitting the monthly rent received, deducting commission and other works, and supplying monthly statements. When necessary it includes the pursuance of non-payment of rent and providing advice on rent arrears actions. It includes 6-monthly property inspections, after which the landlord is advised of the outcome. The fee also covers the arranging of repairs, the holding of keys during the tenancy and the serving of any required notices.		10%+VAT	12%
Security Deposit Registration Fee. All tenants' deposits must be registered – by law – with a Government-authorised Scheme. This fee is for registering the landlord and tenant details and protecting the security deposit; then providing the tenant(s) with the Deposit Certificate and Prescribed Information within 30 days of the start of the tenancy. The scheme used by Reeds Rains is MyDeposits.		£50+VAT	£60
Annual Deposit Renewal Fee		£20+VAT	£24
Inventory Fee. It is important to have a thorough and detailed inventory which serves a number of vital functions, including providing a catalogue of the let property, an unbiased record of its condition and any items included in the tenancy. It forms part of the legally binding contract between the tenant and the landlord. Reeds Rains employs independent specialists to prepare inventories and as such the cost of the inventory is dependent upon the provider available in the locality of the property at the time required. The cost of the inventory varies depending on the number of bedrooms and outbuildings the property has.		£200 + VAT = £240	
Renewal Fee If both parties agree that the tenant can stay for another term, this cost covers the contract negotiation, amending and updating the terms and arranging a further tenancy and agreement.		£100 + VAT	£120
